Additions

On 12/13/2020 and 12/20/2020, the Committee for Purchase From People Who Are Blind or Severely Disabled published notice of proposed additions to the Procurement List. This notice is published pursuant to 41 U.S.C. 8503 (a)(2) and 41 CFR 51-2.3.

After consideration of the material presented to it concerning capability of qualified nonprofit agencies to provide the services and impact of the additions on the current or most recent contractors, the Committee has determined that the services listed below are suitable for procurement by the Federal Government under 41 U.S.C. 8501-8506 and 41 CFR 51-2.4.

Regulatory Flexibility Act Certification

I certify that the following action will not have a significant impact on a substantial number of small entities. The major factors considered for this certification were:

1. The action will not result in any additional reporting, recordkeeping or other compliance requirements for small entities other than the small organizations that will furnish the services to the Government.

2. The action will result in authorizing small entities to furnish the services to the Government.
3. There are no known regulatory alternatives which would accomplish the objectives of the Javits-Wagner-O'Day Act (41 U.S.C. 8501-8506) in connection with the services proposed for addition to the Procurement List.

End of Certification

Accordingly, the following services are added to the Procurement List:

Services

Service Type: Custodial Service

Mandatory for: Department of Defense Education Activity, Fort Campbell Schools, Fort Campbell, KY

Mandatory Source of Supply: Global Connections to Employment, Inc., Pensacola, FL

Contracting Activity: DEPT OF DEFENSE EDUCATION ACTIVITY (DODEA), DOD EDUCATION ACTIVITY

The Committee finds good cause to dispense with the 30-day delay in the effective date normally required by the Administrative Procedure Act. See 5 U.S.C. § 553(d). This addition to the Committee's Procurement List is effectuated because of the expiration of the Custodial Service, DoDEA, Fort Campbell Schools, Fort Campbell, KY. The Federal customer contacted, and has worked diligently with the AbilityOne Program to fulfill this service need under the AbilityOne Program. To avoid performance disruption, and the possibility that the DoDEA will refer its business elsewhere, this addition must be effective on March 31, 2020, ensuring timely execution for a April 1, 2020, start date while still allowing 11 days for comment. Pursuant to its own regulation 41 C.F.R. § 51-2.4, the Committee has been in contact with the affected parties, specifically the incumbent of the expiring contract, since April 2019, and determined that no severe adverse financial impact exists. The Committee also published a notice of proposed Procurement List addition in the Federal Register on December 13, 2019, and did not receive any comments from any interested persons, including from the incumbent contractor. This addition will not create a public hardship and has limited effect on the public at large. This action will create new jobs for other affected parties, namely people with significant disabilities in the AbilityOne Program who otherwise face challenges obtaining and maintaining employment. Moreover, this addition will enable Federal customer operations to continue without interruption.

Service Type: Centralized Appointment Call Center

Mandatory for: U.S. Air Force, Medical Treatment Facility, Eglin Air Force Base, FL

Mandatory Source of Supply: Bobby Dodd Institute, Inc., Atlanta, GA

Contracting Activity: DEPT OF THE AIR FORCE, FA2823 AFTC PZIO

The Committee finds good cause to dispense with the 30-day delay in the effective date normally required by the Administrative Procedure Act. See 5 U.S.C. § 553(d). This addition to the Committee's Procurement List is effectuated because of the expiration of the U.S. Air Force, Medical Appointment and Referral Call Center contract. The Federal customer contacted and has

worked diligently with the AbilityOne Program to fulfill this service need under the AbilityOne Program. To avoid performance disruption, and the possibility that the U.S. Air Force will refer its business elsewhere, this addition must be effective on March 31, 2020, ensuring timely execution for an April 1, 2020, start date while still allowing 11 days for comment. Pursuant to its own regulation 41 C.F.R. § 51-2.4, the Committee conducted an impact analysis on the current contractor and determined that no severe adverse financial impact will result from the Committee's decision. The incumbent graduated from the Small Business Administration's 8(a) Program, and is no longer eligible for award of the requirement, which will remain under the 8(a) Program if not placed on the Procurement List. The Committee also published a notice of proposed Procurement List addition in the Federal Register on December 13, 2019, and did not receive any comments from any interested persons, including from the incumbent contractor. This addition will not create a public hardship and has limited effect on the public at large, but, rather, will create new jobs for other affected parties - people with significant disabilities in the AbilityOne Program who otherwise face challenges obtaining and maintaining employment. Moreover, this addition will enable Federal customer operations to continue without interruption.

Service Type: Information Technology Service Desk Operations

Mandatory for: US Army, Human Resources Command, Fort Knox, KY

Mandatory Source of Supply: InspiriTec, Inc., Philadelphia, PA

Contracting Activity: DEPT OF THE ARMY, W6QM MICC-FT KNOX

The Committee finds good cause to dispense with the 30-day delay in the effective date normally required by the Administrative Procedure Act. See 5 U.S.C. § 553(d). This addition to the Committee's Procurement List is effectuated because of the expiration of the U.S. Army, Information Technology Service Desk Operations, Human Resources Command, MICC, Fort Knox, KY contract. The Federal customer contacted and has worked diligently with the AbilityOne Program to fulfill this service need under the AbilityOne Program. To avoid performance disruption, and the possibility that the U.S. Army will refer its business elsewhere, this addition must be effective on March 31, 2020, ensuring timely execution for an April 1, 2020, start date while still allowing 11 days for comment. Pursuant to its own regulation 41 C.F.R. § 51-2.4, the Committee conducted an impact analysis on the current contractor and determined there will be no severe adverse financial impact as a result of the Committee's decision. The contract value involved represents less than one-tenth of one percent (<0.01%) of the incumbent contractor's annual revenue. The Committee also published a notice of proposed Procurement List addition in the Federal Register on December 20, 2019, and did not receive any comments from any interested persons, including from the incumbent contractor. This addition will not create a public hardship and has limited effect on the public at large, and will create new jobs for other affected parties - people with significant disabilities in the AbilityOne Program who otherwise face challenges obtaining and maintaining employment. Moreover, this addition will enable Federal customer operations to continue without interruption.
